Mr. S. Senthil Kumar
Chairperson

It gives me immense joy to present the third edition of the Bright Academy School Magazine, a proud reflection of the talent, creativity, and

dedication that flourish in our institution. Each page of this magazine captures the voice of our young learners and the tireless efforts of our teachers who guide them with passion and purpose

At Bright Academy, we believe that education is not limited to academic excellence alone—it is the art of shaping character, building confidence, and inspiring dreams. I am delighted to witness our students growing

confidently, expressing themselves boldly, and achieving new milestones in every field.

I extend my heartfelt appreciation to the editorial team, teachers, and students who have worked with commitment and enthusiasm to bring this magazine to life. Your collective effort has created a beautiful platform that celebrates learning, imagination, and innovation.

As we continue our journey forward, may our children remain curious, courageous, and compassionate. Let this magazine remind us that every child has a unique voice, and every voice deserves recognition.

My best wishes to everyone who contributed to making this edition remarkable. May Bright Academy continue to shine brightly and set inspiring standards in education.

Ryan of VIII Standard secured a Bronze Medal in Karate at the Asian Championship conducted by ITKF and the World Union of Karate-Do Federations in Tashkent, Uzbekistan. His achievement reflects dedication, discipline, and perseverance. This proud moment brings honour to the school and inspires fellow students to pursue excellence in sports with confidence and determination.

Traffic Police Interaction – “Road Safety Voices”

An enlightening and informative interview on traffic awareness was conducted with Karaikal Traffic Inspector Mr. K. Lenin Barathi, offering valuable insights into road safety and responsible behavior. The session focused on the importance of following traffic rules and understanding their role in preventing accidents and saving lives. During the interaction, Mr. Lenin Barathi clearly explained essential safety practices such as wearing helmets, obeying traffic signals, and following speed limits. He highlighted how small acts of negligence can lead to serious consequences
